

And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death, Revelation 12:11.

*Is the word of our testimony: is it about, how God has saved us, or is it more?*

- It's always good to hear someone's personal story of what they have come through, how God provided for them, healed them, saved them in a certain situation, or that they had a NDE (near death experience).
- However, we also need to testify how we have grown and progressed in Christ Jesus, and of what we have learned along the journey. How His Word is powerful and true, and of our personal belief in His Word.

The only part that is about us, is the part of us that is in Him.

- Using the example of speaking to the mountain in **Mark 11:23-34**, and believing in your heart that what you said will come to pass. As we do this, the words we speak are reliant on His truth and powerful Word (Jesus) can and has done for us. I believe this is more what our testimony needs to be.

### **Conclusion:**

Therefore, let your testimony not only be about what God has brought you through, but also about your belief in God's Word and what God has brought you to.

- 
- Examples of what is a 'Biblical testimony', It is telling others that it's all about Him, bragging about our great God, and His great power displayed through us. I have put down a few point below that tell us of various avenues of how we can brag about our great God.
    - We see in **Mark 11:23**, the power in the spoken Word, that by speaking to the mountain, and not doubting in his heart, but believing that what he said shall come to pass, shall have whatever he says.
    - The entire Old Testament tells of various miracles done by our greet God, being created in His image and likeness, **Genesis 1:26**. How He provided for His people, (manna from heaven, and water from a rock), and how He fought for His people, giving them the victory through many wars, where at times praising Him was the only weapon they needed.
    - In the life of Christ's earthly ministry we can take many examples, from the teaching ministry of God's Word and His kingdom , the healings He performed on the multitudes and individuals , and how He multiplied the fish and the loafs, and turned the water into wine.
    - And His testimony in the book of Revelation, telling of His return for His people, and our eternal home, New Jerusalem.

The possibilities of one's biblical testimony can nearly be endless.
