

## Doctors, is that God's new healing plan ?

---

God is able to use all of us no matter what our profession might be, for God is no respecter of persons, **Romans 2:11**, **James 2:1**. God does not favor any certain group of people or profession above another, He uses doctors just as He uses carpenters, plumbers, electrician, architects, engineers and even writers and teachers such as myself. Whenever I hear someone refer to an argument such as this, it is usually made in defense to justify a personal action or belief, with the intention to direct or keep the conversation completely within a worldly focus.

Of course God works through medical procedures, God can and does at times work through man's natural means and abilities. But realize that medical statistical success rates are not too stellar. Hospitals commonly inform you of all the risk factors and the side affects that the procedure may give you. And this alone should make you question that, if this was God's new path for our modern day healing, why is it so risky and unsure? Now don't get me wrong, I am not against doctors, I personally would not be alive today if it were not for doctors. And if you feel that earthly medical ways are your only avenue of healing and you are willing to accept the risks and pay the price, then I truly wish you the best, and expect your healing. But there is a better way.

### A better way:

Just as the first Jehovah name that the Israelites knew God by was Jehovah-Jireh (my Provider), **Genesis 22:14**. God still to this day wishes to provide for His people supernatural through His Word. And the second Jehovah name revealed to the Israelites was Jehovah-Rapha (my Healer), **Exodus 15:26**.

God's provision for us comes out of His kingdom, and scripture tells us that the kingdom is within us, **Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you**, **Luke 17:21**. He has given us His Son, Jesus the Word made flesh, **John 1:14**, and we have God's Holy Spirit. We have all that we need to be successful, if we only seek His kingdom, **But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you**, **Matthew 6:33**.

During Jesus' earthy ministry He healed multitudes, He healed individuals and He even healed upon requests. God has not changed, Jesus Christ is the same yesterday, today and forever, **Hebrews 13:8**. [Click here](#) to see all the unique healings in the Gospel and the book of Acts.

We may not always see supernatural healing on our command or demand. But know that there is healing power in God's Word, He has given us all that we need, **John 3:16** and Jesus has paid the price and has finished His work, **John 19:30**. We simply need to believe, let God be true and every man a liar, **Romans 3:4**.

Here are some scriptures concerning healing within God's Word that you can look up: **Psalms 107:20**, **Isaiah 53:4-5**, **Matthew 8:16-17**, **11:4-6** & **1<sup>st</sup> Peter 2:24**.
