### Introduction:

This paper is intended to be a guide on faith, discussing what faith is, why we need it, how to access it and how to put it into use.

Faith was not presented in the Old Testament as something that people needed to walk in in-order to fulfill God's plan, however it is a requirement in the New Testament.

The word "faith" appears only twice in the Old Testament:

1. God, describing the Israelite that did not take the promised land, but rather wandered in the wilderness for forty years, "in whom *is* no faith", [Deuteronomy, 32:20](#).
2. The prophet speaking of a vision where, "the just shall live by faith", [Habakkuk 2:4](#).

Before reading the summary that follows, I encourage each reader to read the scriptures that are at the end of this document, that I have condensed each to one line. This will give you a better understanding of the subject, before you read the papers conclusion.

### Faith, a new testament precept:

And the just shall live by faith, [Romans 1:17](#), [Galatians 3:11](#) & [Hebrews 10:38](#).

The faith that the new testament believer is to use is the faith of Jesus Christ, for we go from faith to faith, [Romans 1:17](#). Our personal faith or what we think is our personal faith, is to bring us into a belief of Jesus Christ, the Son of God. After we are born-again we go from using our personal generated faith, to accessing and operating under the faith of Jesus Christ. This is how it needs to be and must be, for no matter how strong our personal generated faith is, it will always come an end, but the faith of Jesus Christ will never fail us.

Our faith must be in the person of Jesus Christ, not just in a religious concept. In the last paragraph I said that we need to use the faith of Jesus Christ and not our faith. When we realize that Jesus is the Word made flesh and if we are in Him, if we are partakers with Him, His faith will actually become our faith. And we can only access this kind of faith through having a relationship with Him, (the Father, the Son and the Holy Spirit). For further insight on this, you can access my paper on, [relationship with God](#).

The one scripture that most people know about faith is **Hebrews 11:6**, and they usually recite it as: “without faith it is impossible to please God”. The scripture does not say; “please God”, it says; “please *Him*”, where *Him* is in italics, meaning the translators added that word in. When we get into a mind-set that we can please we also then start believing that we can displease and this take us back into a works mentality. God is pleased with us today, at this very moment. We do not need to achieve a certain standard to please God, whatever that metric may be, (healed, rich, literate, intelligent, etc.). What the scripture actually refers to is, “becoming and being well pleased”. For without faith it is imposable to access God's gifts that He has provided for us, and hence we will not be pleased. The Young's Literal Translation version of **Hebrews 11:6** reads, “and apart from faith it is impossible to please well, . . .”, (YLT). The verse is telling us of the importance and necessary of using the faith that we have been given so we can be pleased, rather than giving us a measuring stick to see if we please or displease God. Also to be consistent with other scripture, we must acknowledge that, God has dealt to every man the measure of faith, **Romans 12:3**.

### **Why do we need faith?**

Verily, verily, I say unto you, He that believes on Me, the works that I do shall he do also; and greater *works* than these shall he do; because I go unto My Father, **John 14:12**.

This may seem pretty elementary, we need faith to do the works of God. But before we can get to a place where we can actually start doing the works of God, we need to be able to operate in faith and see that faith work in our lives.

### **How to access faith and put it to use.**

Now faith is the substance of things hoped for, the evidence of things not seen, **Hebrews 11:1**.

Two things are required for faith to come alive:

- A belief in God's Word and a knowledge of His promises. We have all heard a similar story of someone living in poverty, even though they had a vast sum of money in the bank but, they did not know about it. We must first know the truth before the truth can set us free.
- We also need hope, “faith is the substance of things hoped for”. It is imposable to have faith for a given thing if there is no hope for that certain thing. Hope can be defined as a positive imagination. We need to operate in hope, thinking about the promises in God's Word, then imagining those promises apply to us and speaking them into our life. For we also have a God of hope, **Romans 15:13**.

## Established truths, about faith:

- Every believer has an amount of faith:  
“. . . , according as God has dealt to every man the measure of faith”, [Romans 12:3](#).
- After being born-again the believer operates by the faith of the Son of God.  
“and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave Himself for me”, [Galatians 2:20](#).
