

# Joy, how do we get it or do we already have it?

---

No one can steal your level of joy but you, yourself. People of this world and certain situations may be able to rob you of your happiness but you are the only person that can rob you of your joy. Joy is an inner quality, if we are searching for our joy through what circumstances can give us, it is no wonder that we feel we have no joy. Solomon, in [Ecclesiastics 5:17](#), wrote from a human perspective, that in life there is much sorrow, and likewise this is also said in [Psalms 38:17](#). Life can be a challenge, but we can go through the challenge with our joy in tack and able to experience that joy. Most of us gauge our joy level through our 5-senses and emotions, but, know that our flesh does not follow the emotions of our spirit.

Believing in God the Father and Jesus Christ the Son is the only way to find true joy, for joy is a spiritual quality, for it is a fruit of the Spirit, [Galatians 5:22](#). If we are driven by our 5-senses and our emotions, we will confuse happiness or fulfilling certain lustful desires with thinking we have joy. Joy comes from within not from external things, every believer has the capability to have joy. Just as a fruit tree naturally bears fruit for that is the type of tree it is, as a believer if we abide in Christ, we will naturally bear the fruit of the Spirit, (love, peace, joy, etc). It is that simple. Know that the world will never provide you with joy, for it is incapable of doing so, for joy can only be found internally within knowing Christ Jesus and believing in His inheritance and the many promises that we find in God's Word.

An avenue to finding joy is to rest in Him, enjoying His finished work, [Hebrews 4:11](#). When we learn to relax and be content within ourself, oftentimes we find that the things that we were struggling to find and achieve have been within our grasp all the time, or perhaps we then see them as unnecessary.

## **Scriptures concerning Joy:**
