

POLICIES OF THE MINISTRY

1. The ministry finds its covering under the Word of God. All documents of the ministry, letterhead, business cards, web headings, etc., will show the Word of God, ie. (scripture) above the name of the ministry or any other man's name. All names are to be secondary to God's Word, either appearing on the bottom of the page or underneath the covering of the Scripture. For God's Word has been magnified above His Name, *Psalms 138:2*.
2. The ministry's name shall not include the name of a man within its name. Since the ministry shall be fully reliant on God, His name and scripture alone shall be exalted.
3. There shall be no revenue-producing advertising associated with the ministry's website, publications, or any of its materials. Any promotional advertising that is not revenue-producing shall first be approved by the board of directors. For God's Word stands supreme and shall not be minimized by the advertising of this world.
4. Within all reason, Power Ministries will not attempt to promote itself. It shall not purchase advertisements in publications or participate in sponsored activities for the sole purpose of self-promotion. For it is God who lifts one up or sets down another, *Psalms 75:6-7*. The power that the ministry is to show and demonstrate cannot be manufactured by men but only by God, and thus the promotion of the ministry shall also come from God.
5. Power Ministries will not solicit for funds, whether it be in need of operating expenses or funding other ministries or projects. For the ministry will be fully reliant on God to supply all its needs, *Philippians 4:19*.
6. The teachings of the ministry, as much as possible, will contain and hold to scripture rather than man's vain philosophies or worldly realities, For My thoughts are not your thoughts, neither are My ways your ways, saith the LORD, *Isaiah 55:8*
7. Within a reasonable amount of time after the ministry has been in full operation and thereafter on a periodical basis, the ministry shall be evaluated to see what fruit has been produced. If there is no fruit to speak of {signs, wonders, physical healing, changed lives}, the ministry will be shut down. For if God is not actively involved in it, it is my belief that the ministry will end up hurting people rather than helping people.
